CAR MECHANIC/TECHNICIAN

CarNet Toyota M5 Kft.

I worked as a car mechanic, more precisely by diagnosing new vehicles, installing and updating software. If there was a problem with the user's machines, I was the one who solved it in no time.

2019-2021

2 Years

FRONT DESK RECEPTIONIST

Vasas Pasarét Kft.

I worked as a receptionist, I had to work with a lot of foreigners and elderly people, whom I helped in my free time to learn how to use the computer at a user level, and to fix the errors of the SmartTools program and make it easier to operate.

About me

I am a very ambitious and highly motivated person who has developed mature and responsible approach to any task that I undertake over the years. I pay great attention to every single detail in my work. As I am a hard working young man my energy and my motivation within the team could help your company achieve its goals. I am excellent in working with others to achieve a certain objective on time and with excellence.
